

## *PCE Whiz Quiz!*

An Educational Program from PCE

Rules of the game:

- Divide chapter members into two teams.
- Distribute the cut-apart "questions" (pg 4) to those in attendance.
- Facilitator/leader reads numbered "answers." The member who thinks she has the correct "question" raises her hand and reads the card. (*The correct response is in italics on the facilitator's page.*)
- If she is correct, the team gets a point: if not, they lose a point.
- Give the missed "answer" again until the correct "question" is given, adding or deleting points as appropriate.
- Continue until all answers and questions have been read.
